

Sept. 22, 1939.

Mr. Eric Illidge,
New York City.

Dear Eric:

The following is an explanation of your salary slip. Salary stopped on Sept. 10th, at which time one-third month salary was due. You had been advanced on Sept. 3rd \$25.00, on Sept. 10th \$10.00, this means you were over-paid \$2.31. I am enclosing at this time a check for \$5.00, which totals \$7.31 over-paid, I am doing this, as I feel I want to pay your fare from Baltimore to New York on Sept. 10th.

Hope you are feeling better.

Very truly yours,
